

Sunday Tapestry Study Group Meeting Minutes  
October 15, 2023  
Note Taker: Diana Purkey

This study group is NOT a step-by-step time of instruction.  
This group IS designed as a time of helping each other and doing some things together  
(example: warping in November.)

Raylene Keating gave a very informative and helpful presentation on "What is Tapestry."

**Decisions Made:**

- We will be meeting at 1:00 p.m. on the third Sunday of each month for the coming year. The meetings will generally be between 1 1/2 and 2 hours in length.
- Colleen Franks will serve as coordinator and host for monthly meetings. Her address is 20250 Birdsong Lane, Bend.
- Notes to be taken at each meeting will highlight decisions made and action items.

**Action Items:**

- Colleen Franks volunteered to find a woodworker willing to make some small shed sticks for individuals to purchase.
- Raylene will be providing a PDF of the March/April 1988 Handwoven magazine article on how to create a tapestry sampler.
