

Sunday Tapestry Group Meeting Notes
November meeting, 11/19/2023

Notes Captured by Colleen Franks

We had 15 of us, including Randee Frommer and Kimberly Farner, who generously came to share her knowledge and talents with our fledgling group. We also had some brand new friends to both Tapestry group and the Central Oregon Spinners and Weavers Guild. We are very excited to welcome them to both.

Attendees were; Carolyn Bunker, Lesley Hanson, Monica Brown, Catherine Cooley, Kimberly Kramer, Julia Myers, Nancy Wildeman, Claudia Landes, Diana Purkey, Anna Purkey, Barbara Kracher, Kathi Keller, Carol Johnson, Randee Frommer, and Colleen Franks.

We went over basic weaving vocabulary and learned to warp our looms and start the weaving with an ordering row and header. This was a great first day and we learned from each other.

Lots of great books were shared. Many available at the guild library as well as Deschutes Public libraries. "*" are next to ones owned by the COSW guild library. Info on how to access these is at the bottom of this info. If you brought a book to share, I didn't get all the titles, please reply to this email so everyone can find them. The 2 Nancy Harvey books showed up at my house and were left (I think by Kathy Tovey) and are also for everyone to share. I will donate them to the library.
